Subject: Implementing Salary Increases and Addressing Salary Compression/Inversion for Non-Represented Employees

From the start of the Lamont/Bysiewicz Administration, we have worked collaboratively with you on our joint commitment to solve the long-standing problem of salary compression and inversion impacting non-represented employees, including managers. We are pleased to give you an update on a variety of positive developments approved by Governor Lamont and led by our administration that we believe will go a long way toward addressing this issue.

1. Section 223 of [SB 1202, AN ACT CONCERNING PROVISIONS RELATED TO REVENUE AND OTHER ITEMS TO IMPLEMENT THE STATE BUDGET FOR THE BIENNIUM ENDING JUNE 30, 2023](#), changed Sec. 5-200(p) of the Connecticut General Statutes to require the Commissioner of DAS to “issue orders to provide that employees exempt from the classified service or not included in any prevailing bargaining unit contract be granted rights and benefits not less than those granted to employees in the classified service or covered under such contracts.” These orders are subject to approval by the Secretary of the Office of Policy and Management. This change in policy, effective July 1, 2021, signals the importance of keeping adjustments to core terms and conditions of state employment equitable in the future, and creates a presumption that bargaining unit and non-represented employees will be treated similarly going forward.
2. During July, non-represented employees will, based on eligibility, receive a “true up” to their salaries that provides them with increases that are consistent with those that bargaining unit employees received over the last biennium under the SEBAC 2017 agreement. These increases – which include a 3.5% Cost of Living Adjustment (“COLA”), up to a 4% Annual Increment (“AI”), and a \$2,000 one-time payment – will be effectuated through the enclosed E-Item and will be retroactive to July 1, 2021. This E-Item will grant one of the greatest increases to non-represented employee compensation in decades and demonstrate a clear commitment to equity and the importance of non-represented employees within state service.

3. Once the above E-Item is implemented effective July 1, 2021, DAS and OPM will send a communication to you on or about September 1, 2021, seeking input on any instances of potential salary compression or inversion within your respective agencies that remain after the increases. Together, we will examine if any further individualized adjustments are necessary to address acute instances of compression or inversion.

DAS and OPM look forward to implementing the above policy change and actions to address salary compression and inversion. We thank you for your input on this important subject and your patience while solutions could be brought forward. Should you have any questions, please don't hesitate to reach out to us directly.

ITEM NO. 2799-E

- 2% annual increase for the first overall rating of “needs improvement”.
- No increase for a rating of “unsatisfactory” or a second consecutive rating of “needs improvement”.
- If the annual increase takes the employee over the maximum of the range, the remainder of the increase must be paid as a lump sum payment.

- Employees at the maximum rate of the range in the above listed pay plans with satisfactory performance will receive an “at max” payment of 4% to be paid as a lump sum and calculated based on the maximum rate.
- Employees who were hired or promoted into an executive or management position on or after January 1, 2021 are ineligible for the annual increment authorized under this item as these employees have not yet completed a working test period in an eligible job class.

- Employees who received an increase in pay less than 7.5% pursuant to an action other-than-a-promotion-or-reclassification-to-a-new-job-class with an effective date from July 1, 2020 through June 30, 2021, shall have the cumulative annual increase granted under this item adjusted so that their cumulative increase in combination with the increases under this item is not more than 7.5%, except that this provision shall not result in a rate of pay below the revised pay plan minimum.
- Employees who received an increase in pay as a result of a promotion or reclassification to a new job class with an effective date from July 1, 2020 through June 30, 2021, or by reaching the target class following successful completion of training with an effective date from July 1, 2020 through June 30, 2021, shall be eligible for the COLA but shall not be eligible for the AI, except that this provision shall not result in a rate of pay below the revised pay plan minimum.

\$2,000 One-Time Payment:

This Item authorizes a \$2,000 one-time payment to employees who are assigned to any of the above plans effective July 1, 2021, provided that this payment shall not be granted to an employee initially/newly/first hired or appointed into state service after June 30, 2018, or who previously received the \$2,000 one-time payment. All one-time payments shall be pensionable in accordance with the plan's normal rules, and pro-rated for part time employees.
